

Product Data Sheet - Rubber Sleeve Harness & Straps

Secures rubber insulating sleeves to the Linesman during glove and barrier work.

Key Features:

- 2 versions available!
 - Tradition harness
 - New quick fit straps
- Both options designed to work with Yotsugi class 2, class 3 and class 4 sleeves
- One size fits most
- New quick fit straps provide additional adjustability and convenience and are a new innovation by Yotsugi
- The quick fit straps make it fast and simple to both don and doff the sleeves
- Come with buttons as a set
